COVID-19 PROTOCOL

Guests:

Guests are welcome to join you on the golf course.

Mask Policy:

Masks must be worn in the golf shop ~~BOEBS~~ ~~DPVSBH~~ ~~CVUOPUS~~ ~~VJS~~ ~~M~~ ~~OUI~~ ~~IPMGDPVST~~

Social Distance Guidelines:

Please refrain from congregating on the first tee, or any tee, and after your round. No more than 4 to a group and please practice social distancing.

*All reservations made online or through mobile app will now require completion of a COVID screening including a single question survey in order to confirm your reservation.

Guests:

Guests are welcome to join you on the tennis courts.

Mask Policy:

Masks must be worn upon arrival to the Tennis Center and in the Tennis Pro Shop. Masks may be removed while playing but will need to be put back on when leaving the court.

Hand Sanitizer & Hand Washing:

We are asking that all players wash their hands or use hand sanitizer prior to playing tennis as well as after playing.

Lessons:

Lessons and clinics can involve up to 6 players plus a coach. Instruction can be taught indoors or outdoors. Pros will not give high fives and no other physical contact with players.

Tennis Balls & Ball Machines:

Members now have access to ball baskets along with balls in the ball machines. As we see the return of ball carts with balls provided by the club, please remember the following:

- Please sanitize your hands before and after using the ball carts and ball machines.
- The balls are for member use, however, please return them to the carts after use. These balls are not to be put in bags or taken off site, but are for the use by all of our members.
- Carts of balls will be only for indoor use. There will be plenty of balls in the ball machines without having to add balls from the baskets.
- After ball machine use, please sweep any ball fuzz off the court using the sweepers and brooms provided. If left on the court it can easily become a hazard to those playing after you.

Upstairs indoor viewing area overlooking courts 1-3 is open for up to 15 people at a time, masks and social distancing required.

Junior Tennis Clinics COVID-19 GUIDE:

Our goal at Crane Creek is to provide a fun and safe tennis-learning atmosphere for both players and staff. Due to the ongoing COVID-19 situation, Crane Creek will be implementing the following for all of our junior clinics:

1. If your child is showing any signs of sickness, please keep them home and do not bring them to tennis.
2. All junior players and coaches will have their temperature checked prior to going on court for the clinic. Any player or pro with a temperature above 100.4 will not be allowed to participate in or teach the clinic.
3. All junior clinics will run with social distancing guidelines. Players will have safe areas to put their water and equipment on court, at least 6ft away from other players.
4. Hand sanitizer will be available prior to clinics, during clinics and after clinics.
5. All players will be required to wash or sanitize hands prior to going on court.
6. All players should recognize Crane Creek is serious about playing our part in keeping everyone safe.
7. Our goal is to over-staff our junior clinics. Some pros in each clinic will be responsible for maintaining social distancing and helping keep players safe.
8. We ask that all players respond to our coaches and staff at all times because of the COVID-19 situation. This is for the good of everyone participating. If players are not listening to the instructions and directions given by our coaches and staff, parents will be notified.

Mask Policy:

Masks must be worn upon arrival and when walking through the facility. Masks may be removed at the table but will need to be put back on when moving within the club.

Reservations:

1. Guests are welcome to join you in the dining room.
2. All dining areas are accepting reservations except the 19th Hole which is first come, first serve.
3. Walk-in guests will be accommodated if room permits.
4. Waiting parties will be social distanced in foyer or outside.
